Spirit of Greeneville Day is September 17, 2016 at the Greeneville Playground (266 Central Ave, Norwich, CT 06360). The day runs from 10am to 3pm with pickup after.

Each vender will be given a generous 10 foot by 10 foot plot so you'll have plenty of room to spread out.

Bring all your own equipment because nothing is provided. One block of Central Ave will be shut down by the Police so that vendors can set up there. It is flat and smooth, and was sunny and breezy last year.

All vendors, performers and everyone else must comply with federal, state and local laws, rules, and regulations.

Anyone selling anything eaten or applied to the body must have insurance. This includes but is not limited to food, soap, body art, etc.

Please bring a kids activity to do at your table. Some of the popular ones last year were the bean-bag-toss, paper airplanes, coloring, and the guessing box. Please be creative. The goal of this is to get families to circulate through the vendor area.

To find out more please visit TheRoseCity.us or facebook.com/GreenevilleNRZ
